BOLIVIA

December 2022

Continued Blessing:

We praise the Lord for His continued blessings and the blessing that you are to us. This past month we had three new offerings come in for **\$200, \$300 and \$2500**. We are truly overwhelmed and so thankful for your prayers and sacrifice. That brings are total already to **\$6200** that has been given and a really great start. We are sending videos every couple of weeks with testimonies of people who's lives have been changed by the ministry there. You can go to www.operationbolivia.com to see them. Please continue to pray for our ministry and this great opportunity to help a church reach more people with the gospel. Amazing Trip:

This past month me, my son Titus, Andrew and Mathew were able to travel to the north of Bolivia to visit the churches that we work with there. I haven't had much contact with them since well before the pandemic and wanted to encourage and help them as they have struggled a lot during this time. We flew to Cobija on Thursday and had a training time with the leaders, on Evangelism and Discipleship. Then on Saturday we traveled an hour and a half out into the jungle to a town called Buyuyo where their second church is. The church is currently without a pastor and the people are younger Christians so I taught on Friday afternoon and Saturday afternoon on basic truths for new believers. We had a service there on Saturday night and a good number came. We traveled back to Cobija that night and then on Sunday I preached at the church and in the afternoon we had a couple hours of training before the service. I praise the Lord for the faithfulness of these brothers and sisters even in the face of much adversity.

New Mailing Address:

Vision Baptist Missions, Inc. and the Our Generation Training Center have been praying for God to provide space for the ministry to expand. In February 2022, through the giving of many generous individuals and churches, God provided an excellent property in Dawsonville, Georgia with several buildings. We are very excited about the property the Lord has given us and the opportunities to expand into the future. We are so thankful for how the Lord has blessed our mission. One thing that also comes with this blessing is a new mailing and support address. Please begin sending all mail and support to the following:

Vision Baptist Missions
PO Box 647
Dawsonville, GA 30534

Prayer Requests:

1. Pray for our Christmas activities in the different churches.
2. Pray for the churches in Cobija and Buyuyo and for the people there.
3. Pray for the church in Pacata as they seek to buy land.
4. Pray for our plans for this coming year that we will see much fruit in the ministry.
