Missionaries to

**BOLIVIA**

April 2025

## **Now Eight Years Old:**

I have always said it is crazy how time flies in every area of life and that is definitely the case personally, but also in our ministry. This past month our third church (Pacata), celebrated their eighth anniversary. It seems like just yesterday we were starting in a store front with just a hand full of people and now the Lord is blessing them greatly. For their anniversary, they decided to have a family conference on Friday and Saturday with their anniversary service on Sunday. Pastor Jorge invited me to preach the conference where the theme was specifically about childrearing and on Sunday I preached about the family of God. This is one of my favorite themes to preach about and I was able to share important principles like teaching our children to live under authority, obedience, and also biblical discipline. With well over a hundred people on Sunday for the service, it is exciting to see how the Lord is blessing them both numerically and spiritually.

## **Team Work:**

One of the things that I have learned in the ministry and on the mission field is the importance of fellowship, encouragement, and accountability that comes from working as a team. One of the ways we try to encourage this is by having a Regional Conference every two years with all of our missionaries that work in Latin America. This past month, we were able to meet in Panama to have a week of training, sharing, and refreshing. We had several days of classes with each day having a different focus. Monday we looked at keeping our focus, vision and priority on the World. Tuesday we looked at ministry principles such as investing in someone's life through discipleship and multiple church planting. On Wednesday, we looked at our personal lives and the importance of personal growth; and on Thursday, we looked at the importance of working to keep our marriage and family healthy. Praise the Lord for our team that we are able to serve along side of and we ask you to pray for Latin America because the need for missionaries is still great.

## **Furlough Time:**

Well it is that time again (it's hard to believe), that we will be back in the US for our furlough starting this June, 2025 until June of 2026. Beth and I are very grateful for the last four years that the Lord has given us and how He has blessed us, and the ministry here. We are also thankful for your faithful prayers and support during this time on the mission field because without you we couldn't do what we do. If you would like to schedule a meeting with us during our furlough please contact us at [ktwbmw73@gmail.com](mailto:ktwbmw73@gmail.com) or call 336-499-2585. We would love to be able to visit and share all that the Lord has been doing over the past four years.

## **Prayer Requests:**

1. Pray for the pastors and churches here as they face the economic strain.
2. Pray for the need for missionaries in Latin America.
3. Pray for the upcoming presidential elections in August.
4. Pray for us as we prepare and get things ready for our furlough.
